Welcome to the York Recreation and Convention Centre

Located in the Shire of York and just over an hours drive from Perth. The YRCC is a purpose built function centre with much to offer.

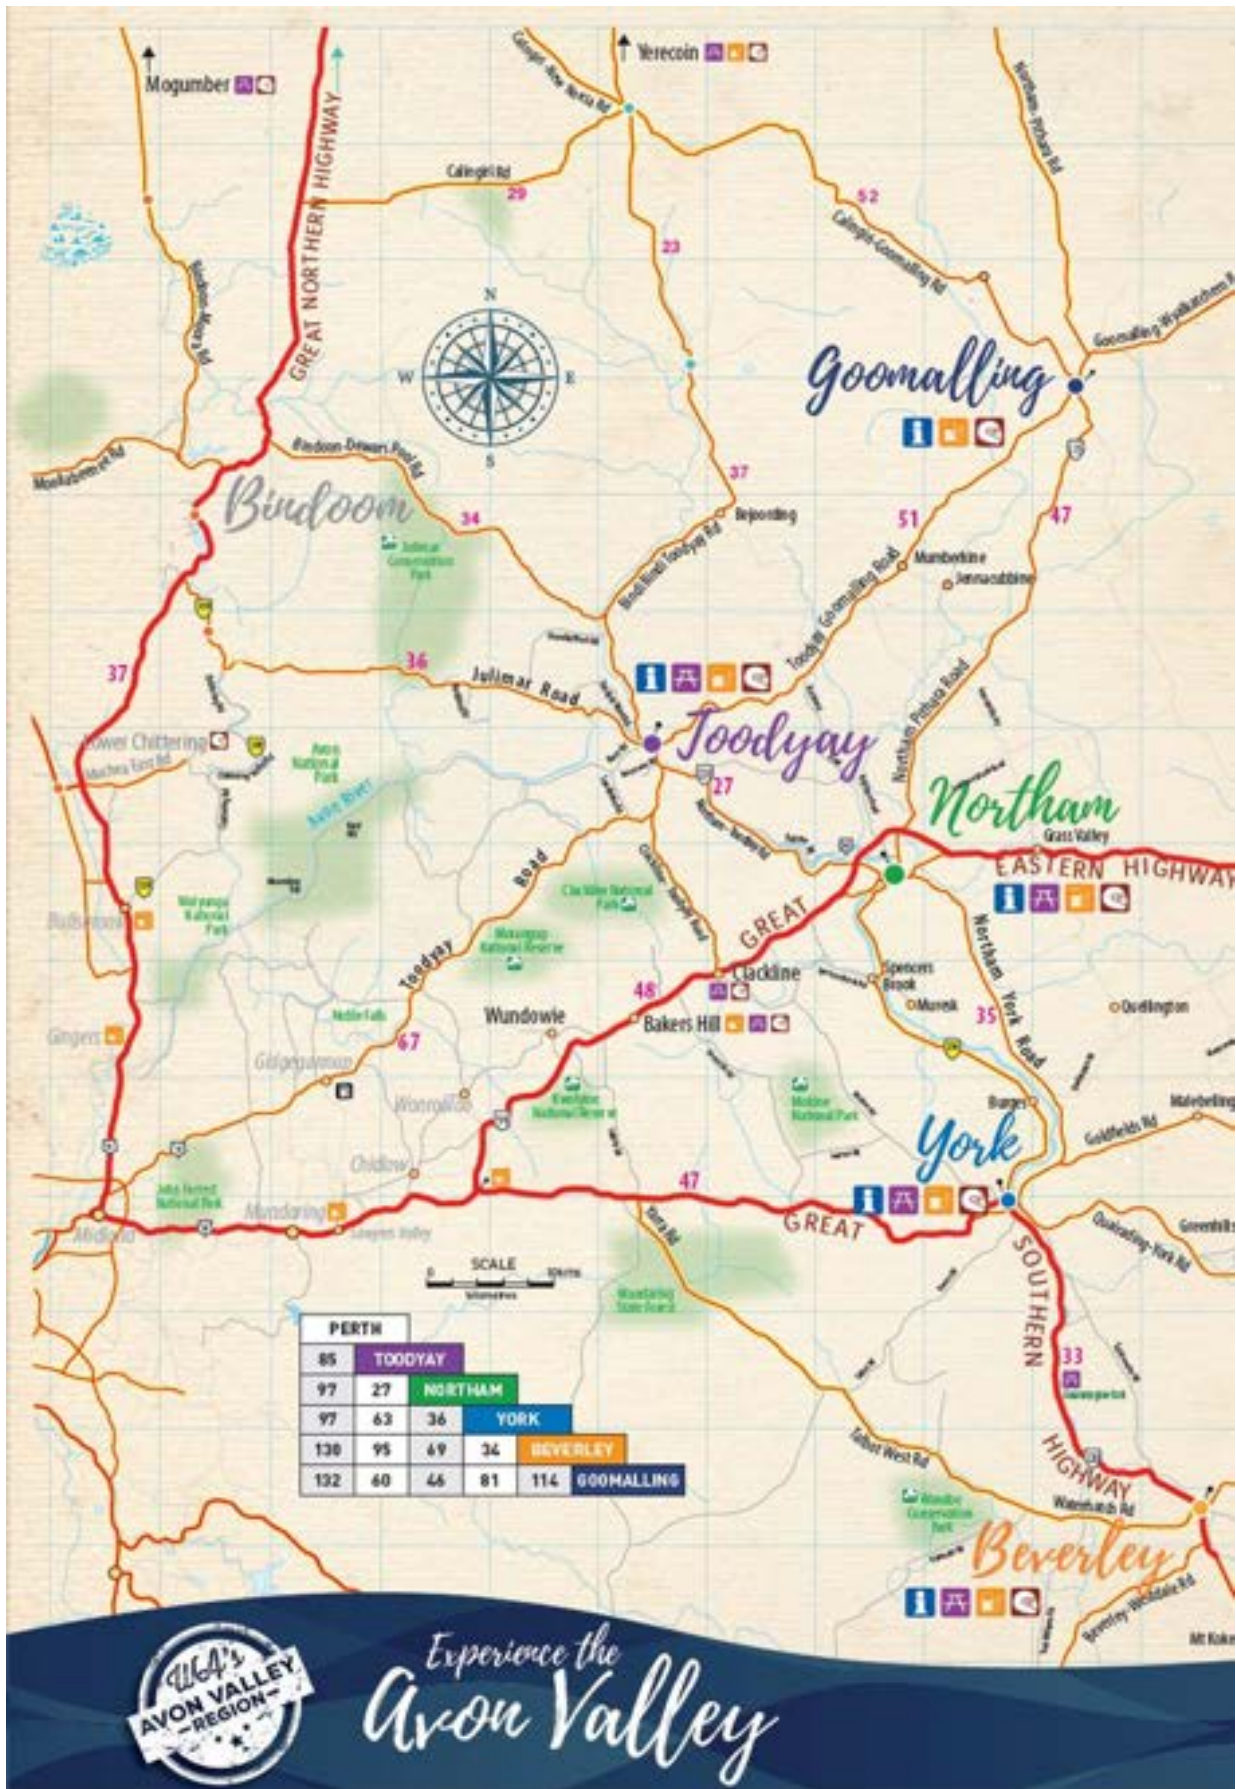

The function centre show piece is the Forrest Bar and Café. With 180 degree panoramic views over the bowling greens, tennis courts and oval this light and spacious area can seat up to 200 guests.

In addition to the Bar area there is also the indoor stadium consisting of a full size basketball court, squash court and smaller function room. This is ideal for indoor markets, exhibitions or children's parties where energy needs to be expelled.

If energy is an issue there is also the Gym on site for those who want to get in a work out whilst attending an event.

The YRCC can host functions big or small and works with the Shire of York to ensure the best possible outcomes for your function or event. To find out more about what events are happening in York go to <https://www.york.wa.gov.au/events/>

Cultural Workshops

Artists Dennis Kickett and his daughter Michelle Kickett from Bilya Goguylar Boodja Corporation (BGB) offer cultural workshops to enhance your event.

The workshops lasting a minimum of 2 hours include hands on craft experience as well as sharing the stories of the Noongar people living in York. Workshops are \$20 per person and all art supplies are provided.

Individual or Group art project

This workshop will offer attendees an opportunity to paint a small canvas panel using traditional Aboriginal symbols and techniques. There will also be an explanation of the Aboriginal symbols on hand which can be used to reflect on a theme. A larger canvas can be used for group work and team building.

Artefact Painting

This workshop will be facilitated by local Noongar elders demonstrating and assisting workshop participants to craft ceremonial and hunting tools which include dowaks-clubs, digging sticks and walking sticks. The materials will be sourced locally from York and surrounding areas for the crafting of the tools on the day.

Message Stone

This workshop will offer attendees an opportunity to work alongside an Aboriginal artist to paint a message stone using traditional Aboriginal symbols and techniques. Attendees will be encouraged to produce a piece of artwork reflecting on a theme which they get to take home at the end of the session.

Jewellery

This workshop will be facilitated by a local Aboriginal woman who will demonstrate and assist workshop participants to craft jewellery which include necklaces, bracelets, bangles, and earrings.
